Description :

PDF-8ae82 | When most people think of Detroit and music, they think of the Motown sound. But what many people forget is that Detroit has a remarkable jazz history, which became a major influence in what came to be known as the Motown sound. Before Motown is the first book about the history of jazz in Detroit. It shows the significant impact Detroit has had on the development of jazz in America, with its own so... *Before Motown: A History of Jazz in Detroit, 1920-60*
