Description :

PDF-d22db | How does the US Army mold a video-game generation with its thumbs on the joystick into a proud fighting force with its fingers on the trigger—and lives on the line—in America’s War on Terror? Michael J. MacLeod, already an accomplished professional photographer and journalist, decided to find out the hard way: by enlisting in the armed forces at age forty-one. What he observed and experience... *The Brave Ones: A Memoir of Hope, Pride and Military Service*
