Description :

PDF-d1d3f | How did the 1950s become "The Sixties"? This is the question at the heart of Daniel Horowitz's *On the Cusp*. Part personal memoir, part collective biography, and part cultural history, the book illuminates the dynamics of social and political change through the experiences of a small, and admittedly privileged, generational cohort. A Jewish "townie" from New Haven when he entered Yale College in fal... *On the Cusp: The Yale College Class of 1960 and a World on the Verge of Change*
