by Anthony Stevens : **Jung: A Very Short Introduction**

ISBN : # | Date : 2005-02-10

Description :

PDF-e1c3e | Anthony Stevens argues that Jung's visionary powers and profound spirituality have helped many to find an alternative set of values to the arid materialism prevailing Western society. This concise introduction explains clearly the basic concepts of Jungian psychology: The collective unconscious, complex, archetype, shadow, persona, anima, animus, and the individuation of the Self.
