Description :

PDF-281e1 | In the early twentieth century, affection between parents and their children was discouraged—psychologists thought it would create needy kids, and doctors thought it would spread infectious disease. It took a revolution in psychology to overturn these beliefs and prove that touch ensures emotional and intellectual health. In *Love at Goon Park*, Pulitzer Prize winner Deborah Blum charts this profo... *Love at Goon Park: Harry Harlow and the Science of Affection*
