Description :

PDF-f8299 | You read the sad stories in the papers: another ornate, 1920s, single-screen theatre closes, to be demolished and replaced by a strip mall. That's progress, and in this 20-screen multiplex world, it's happening more and more. Only a handful of the 100 or so neighborhood theatres that once graced these streets are left in San Francisco, but they live on in the photographs featured in this book.... *Theatres of San Francisco*
